

Worship in our Hearts

(VERSE)

Hands up to the sky
We sing a love so high
Jesus
You walked the earth
Showing us our worth

(PRE)

Miracles
The tales they tell
New Testament will swell
Generation stands in praise
Cherishing these days

(CHORUS)

Worship in our hearts
Where the new day starts
Love for all creation
In every generation

(VERSE)

Stories written old
In our hearts retold
Guidance through the dark
Jesus
Your words spark

(BRIDGE)

We stand together now
In your name we bow
Faithful we remain
In joy and pain

(CHORUS)

Worship in our hearts
Where the new day starts
Love for all creation
In every generation

MID8 (ALS CHOR GESUNGEN)

Into the New
The New Generation
Into the New
A new Creation

Wie im Himmel so im Aargau
Sterne Flöss im schwarzblau

(CHORUS)

Worship in our hearts
Where the new day starts
Love for all creation
In every generation
